10 August 1963

The Honorable John W. McCormack Speaker of the House of Representatives Washington, D. C.

Dear Mr. Speaker:

William Colby has told me of his discussion with you at luncheon on Saturday, 3 August. I have read the letter which you referred to his attention and have had it examined by those Agency officials most familiar with the Indonesian scene. Their comments are attached.

I send this information to you for your possible interest, and in appreciation for your sending me the original material. It is unclassified, and the gist of it has been passed to Mr. Edward McCormack. I should be interested in any further material on the subject that you might acquire. The list of known Communists within the ranks of the military would naturally be of great interest to us. Mr. McCormack and Mr. Colby are now in direct centact on this matter.

Thank you for calling this to my attention. I hope that the attached comments will be of some assistance to you.

Faithfully yours,

(Signed) Marshall S. Carter
